2021 ASMI All Hands on Deck Key Questions for Operational Committees

1. What are the biggest opportunities for your program that are emerging post-pandemic?
2. What long-term challenges must your program continue to monitor and/or address?
3. Please address the comments from the species committees that were directed toward your program. In response, do you have any recommendations for which your operational program should take action?
4. Are there any specific questions or items of interest pertaining to your program you would like the ASMI Board to consider? If not, write N/A.
